## Elden Ring Features Key:

Like a Game, Feel the Weight of Various Acts of Bosses A Brink-Down Experience of a Variety of Action Fantasy Various player-driven bosses, difficult to solo, are scattered in the overworld. Each time you need to clear these battles to proceed, you can enjoy the complex drama of interaction among many players.

Enter a Period Unknown to Mankind A Probable Perigee Fragment of the Myth World Among the Lands Between (This translates to:-) A Historical Period to be Unknown to Mankind Or Never Be Recorded)

From the creators of Bards of Terra, Trostle Games, and Tiamat RPG, come the tales of a land where fantasy and reality collide. Welcome to the Lands Between, in a world where the myths of legend are fact. The powerful and bewitching presence known as the Elden Ring is awakening, but chaos grips the lands and destruction fills the sky. You are the chosen one, the face of evil and the hope of salvation; the defender of the innocent and the righteous; the last hope for mankind against a gathering storm. Will you live, or will you die? ■ FEATURES: * A FREE-LOOKING DESIGN You are in the Lands Between, a land that is shaped by the mixing of myth and reality. It is a land and a world in which monsters and magic exist alongside humanity, but this does not mean that fantasy or reality

is oppressed by the other. On the contrary, it is a world in which you can encounter monsters and magicians while also meeting people who are affected by the challenges of daily life. * INHERENT TOLERANCE OF FANTASY AND REALITY The Lands Between borrows the power of its reality, and there is a limit to what fantasy may impose on you. While you may fight monsters, there are no restrictions on how you become accustomed to the realities of daily life. On the contrary, the structure of the game is designed so that you can enjoy both the fantasy of the Lands Between and the mundanity of reality. * A UNIQUE FUSION OF FANTASY AND REALITY You will encounter people from both fantasy and reality while fighting against monsters; people will live and die by human standards, and that kind of life and death is part of the game design. By cooperating with monsters, you may be able

to make them serve you, and by attacking them, you may be able to save someone. If you encounter a person who has crossed over, even if they are on their way to die, it may be possible to help them. ■ CUSTOMIZABLE CHARACTERS Customize your character by selecting from 7 body types and 19 face types. From your appearance, select between several combinations of weapons, and armors, as well as magic. * RAGE PAINTING SYSTEM To enhance your play experience, we have introduced the Rage Painting System. By forcefully holding the down button, you can customize your character's appearance and expression. * ONLINE MULT

## What's new:

Show more You walk with your pet dog, Ha Dingyu, on a short excursion around the village, trying to enjoy the rainy weather of summer. However, just as you enter the city gate, you realize it's just ordinary, and you quickly encounter the monsters in the garden just by the gate.

## Rise as a Tarnished

You are a Tarnished, a god damnened creature who has sold their soul to the dark lord. You are currently a soul shard of pure magic that exists in the mysterious world between the two powers. Together, you and your allies will guide your Tarnished through an adventure in a fantasy world.

Being the chosen representative of the Tarnished and connecting to the lord, you exist in a world where the Tarnished and the Elden Ring are both active. A world full of confusion, where the true character of evil is exemplified.

You set forth on your journey as a Tarnished. You must ascend to the height of the Elden Ring to increase your power to consume the souls of demons. Steal the souls of mortals using a mechanic called "Zodiac", and you will grow stronger and be able to earn more powerful equipment.

**Your journey as a Tarnished is a long one. There will be plenty of hazards and enemies in this world.**

**Are you prepared for what awaits you?**
